

O.S.Y JEWISH CHRISTIAN EVANGELISTIC MINISTRIES

3. Jesus Christ/Yeshua Ha Mashiach:

We believe is the eternal Son of G-d, active in creation, appearing in the Tenach (OT), conceived by the Holy spirit, born of the virgin Mary, resurrected from death by His Father, the only mediator between G-d and man, and is the Judge over all G-ds creation.

4. Salvation: *we believe Salvation rests upon man's faith in Messiah's life, death, burial, and resurrection.*

5. Body of Messiah: *we believe the congregation of the Lord, the body of Messiah, is a living creation consisting of regenerate and redeemed believers who have been baptized by Yeshua (Jesus) with the Holy Spirit, into one body, from Pentecost until the Rapture. This body is not per say Jewish nor Gentile, nor male, female, white, black, brown, yellow, nor red, but is a new creation.*

6. Eschatology: *Pre-trib, pre-millennial, we believe and embrace the biblical truth of a pre-tribulation 'snatching' or 'rapture' of the saints. The return of Yeshua the Messiah for His People, His body, is imminent. The 'rapture' will precede the period scripture calls "Jacob's Trouble" or "the Great Tribulation." The seventieth week of Daniel follows the Rapture of the Assembly of Elohim (G-d). The Second Coming of Yeshua (Jesus) follows the Great Tribulation. Messiah Yeshua will then reign in Jerusalem on the Davidic*

throne for one thousand literal years, followed by the Judgments.

7. Israelology: *we believe Israel is a nation consisting of the direct descendants of (Abraham, Isaac, and Jacob) called first, Hebrews, then Israelites, and finally the Jewish people or nation Israel. The church has not replaced this Israel or its people; Israel and the Church are distinct in the will and plan of G-d. G-d has not cast off physical Israel, but will use the church of today to be its guiding example to lead our people back to the G-d of our fathers through love and sharing Yeshua (Jesus) the Jewish messiah with them. We financially support and pray for Israel missions and outreaches.*

8. Spiritual perspective: *we believe firmly and embrace our spiritual liberty, freedom and biblical perspective regarding the scriptures and the giving of the gifts of the Ruach Ha kodesh (Holy Spirit). Under Elohim (G-ds) inspiring and impartations these gifts are given to every believer who accepts Yeshua and his Holy Spirit for the empowering of the ministry. We also believe Elohim's (G-ds) continued love is visible though these spiritual gifts. Which supports, helps, nourishes, encourages, edifies and builds up in strength all believers in the body of Messiah today.*

Outreach Arrangements

Each part of our outreach is conveniently arranged to fit around your churches time schedule so it will not disrupt its flow or system of other events that may be occurring. Depending on which outreach fits your need there is an honorarium offering usually given to the ministry for its services. We can share that information with you upon booking an outreach.

Theological beliefs

1. **Scripture:** we believe the scriptures, both Old and New covenants are the only divine revelation of G-d to man, inspired, inerrant, infallible, authoritative, and trustworthy.

2. **Tri-unity:** we believe there is one (echad) G-d, eternal and sovereign, the divine nature being undivided and indivisible, yet with three distinct persons who are co-eternal and co-equal. The unity of G-d allows for the existence of personal distinctions in the divine nature. (*Continued on the other side)
