MIDRASH WITH THE RABBI *Knowledge for the believer*

Are trials the only way to know who G-d is?

While sitting in on a bible study one week a comment was made in regards to trials. Someone suggested that trials are basically the way one can learn of who G-d is. Of course the conversation was first stirred up while studying a chapter from the book of Judges (1). As some may know the book of judge's really deals with a 350 yr old history of Israel's failures to obey and follow the G-d of Israel. Therefore many judges were raised up during that time period to keep G-ds people in right standing with G-d. It should also be noted that the nation of Israel was under the mosaic covenant which was a strict and conditional covenant not like our New Covenant today. Many of the judgments and trails of the Jewish nation during that time were due to a habitual breaking and disobedience to G-ds Torah (Law). Are there Demonic Forces in the world?

Inspirational Reading

In this month we ask the question, are there demonic forces in the world today? For believers who have walked with the Messiah for years know the answer is YES! This is all too clear to see, but for a new believer some are still struggling to make sense of what demonic forces are. Some religious teachers today don't even believe that evil forces exist. But if one were to carefully examine the scenery of the world around them they would clearly see that demonic forces are at work. The gunman with a huge grin on his face really had no reason as to why he shot, killed, and wounded many. From a spiritual point of view I am confident that we can completely understand that demonic activity was at work through this young gunman. Not only did we witness this horrid act of murder but let's face it every time we turn on the television set we see more and more demonic movies promoting and glorifying demonic activity. Now this is what we know in the natural, but what does the bible reveal about demonic activity in the world for today? According to a passage found within the book of revelation (a) reveals that a serpent (b) was cast out of heaven. In the following verses of chapter twelve of revelation we then are told "woe to the inhabitants of the earth" for the devil has come down to you (c)! Of course all of this takes place when the seal of the (d).....
